Hi Emily,

I believe I remember you telling me that any email changes for our subs on the database need to go through you to be changed??? If that's the case, Gina Manual at Thrive has recently gotten married. She is changing her name on her profile page, but her email has also changed. It WAS gmanual@thrivestlouis.org. It is NOW gmanual@thrivestlouis.org. Would you please let either me or her know when the email change has been made so she will know when to begin logging in with her new email as her username?

Thank you! Carrie Carrie Hoelscher A2A Program Manager
